Optimistic Thought.

Virtue and goodness are confined to no station.

Woman's Superiority.

Men's tailors frequently fail to fit their customers, because, as someone has said, tailors do not perform miracles. But women's tailors have better luck, for in their case the women perform the miracles.—Kansas City Star.

Where the Banjo Came From.

The modern banjo was introduced into England from the United States, to which country it was probably taken by the African slaves, who originally obtained the idea from India. The musical name "banjo" seems to have been derived from "banya," the name of a Senegambian instrument of the guitar species.

MICKIE SAYS

"JEST Lissen 'T WHAT I FOUND IN THE WASTE-PAPER BASKET! IT SAYS, 'DEAR DITOR—CALL OFF MICKIE AND I'LL PAY UP! I DON'T WANT TO SEE THAT LITTLE IMP PARADING MY SHORTCOMINGS RIGHT BEFORE MY EYES EVERY TIME I PICK UP THE PAPER!'"

IN ENGLAND.

Bugs—There goes Mr. Wolly Caterpillar, he's just gotten his fur overcoat out of hock!

JUNGLE JESTS.
Snake—Old Kangaroo looks kind of seedy. Sort of down and out.
Monk—Yes, on his last legs as it were.

NO WONDER.

Henry, how old are you?
Surely you haven't forgotten how old your husband is.
Well, I've been fibbing about my age so long that I can't trust myself.

QUITE EVIDENT.

How do you like my new coat?
Don't know; I can't see it for the checks.

POLICY.
"Why are you always so pleasant with your fellowmen, Mr. Jones?"
"Well I guess the real reason is that I am getting so old I can neither fight nor run away."

AN EXCUSE.

I love to make love said Miss Chic.
It's really conserving of space.
For a girl, if she's humble and meek
Can always make love on her face.

SURE.

Are trains always on time, Dad?
No, my son, but they always are when you are a few minutes late yourself.

SO SMALL OUR MERIT.

A lovely mansion in the skies.
We're not expecting that.
In fact, twill be a big surprise.
If we secure a flat.

JADED SENSES?
Margaret—Hotel lobbies are no place to make love.
George—Yes, I know, but there is a spirit of adventure in it one doesn't get in dark corners.

UNQUALIFIED.

Son (who has just returned from four years at college)—Well, father, here I am—what you have me do? Father (who is a self-made man, looking up disgustedly)—Take a post-graduate course!

Must Be Earned.

Happiness and the sense of victory are only for those who live for conscience and duty and the soul's higher ideals.—Newell Dwight Hillis.
